

Constitution Unit Briefings

This series of briefings is produced by the Constitution Unit, a research centre based in the UCL Department of Political Science. We conduct timely, rigorous, independent research into constitutional change and the reform of political institutions, and work closely with other expert research organisations such as those named above. The briefings in this series form part of an ongoing project titled [‘Constitutional Principles and the Health of Democracy’](#), and can be found on the project page.
