Find a job

About the new jobsite from DWP

With an account, you will be able to:

- Apply for jobs
- Upload up to 5 different CVs
- Keep an automatic log of Your Activities, which you can show or print.

Create account

You will need access to the internet (via a computer or smartphone) and your emails.

Go to Find a job website

Enter your email and create a password.

An email should arrive within a few minutes.

Follow on-screen instructions to complete registration.

Contact us

to ask any questions.

Mobile friendly

The Find a job site works well with most smartphones.

To add the site to your home screen:

Bring up the webpage on your phone

On iPhone, tap the
