

Click the 'Select files' icon and find the file or folder you wish to upload:

You will then be taken to the following screen to confirm the Upload. At the top of the screen, you will see the following:

The following confirmation screen will appear when you have uploaded the file(s):

Your file(s) will immediately be uploaded to the Research Degrees team. We aim to download your thesis within two working days, and we will send an email to you confirming receipt.
